The Six Uncles Move In

Six months after the secret was exposed, Hoseok had discovered a terrifying truth.

His six best friends had become obsessed with his children.

It started innocently.

Jimin visited twice a week.

Jungkook came over to play soccer.

Taehyung brought art supplies.

Namjoon brought children's books.

Yoongi brought snacks.

And Jin…

Jin had somehow acquired a key.

Hoseok opened his front door one Saturday morning.

Jin was sitting on the couch eating cereal.

Hoseok stared.

"How did you get in?"

Jin lifted the key.

"You gave me this."

"I gave you that for emergencies!"

Jin nodded.

"This is an emergency."

“What emergency?”

“I missed my niece.”

Hoseok sighed.

From upstairs came Hana’s voice.

“UNCLE JIN!”

Jin immediately stood.

“MY BABY!”

Hoseok watched him run upstairs.

Y/N walked into the room.

“Should we stop him?”

Hoseok shook his head.

“No. Resistance is useless.”

Uncle Jimin's Fashion Show

Jimin arrived carrying seven shopping bags.

Hoseok stared.

“What did you buy?”

Jimin smiled.

“Clothes.”

“For whom?”

“Hana.”

Y/N laughed.

Hana ran into the room.

“Uncle Jimin!”

Jimin immediately opened the bags.

Inside were tiny dresses, sweaters, shoes, hair accessories, and matching pajamas.

Hana gasped.

“Wow!”

Jimin looked at Hoseok.

“She needs options.”

“She has more clothes than me!”

Jimin nodded seriously.

“As she should.”

Min walked in.

“Where are my clothes?”

Jimin froze.

“Oh.”

Min crossed his arms.

“You forgot me.”

Jimin looked horrified.

“I WOULD NEVER.”

He immediately grabbed his phone.

“I need to go shopping.”

Hoseok groaned.

“No!”

Too late.

Jimin was already out the door.

The Great Uncle Competition

The six members decided to determine who was the children's favorite uncle.

It was the worst decision they had ever made.

Jin brought candy.

Yoongi brought snacks.

Jimin brought toys.

Taehyung brought art supplies.

Jungkook brought sports equipment.

Namjoon brought educational games.

Hana looked at all of them.

"Can we have all of it?"

The six men froze.

Jin whispered:

"She has discovered diplomacy."

Yoongi nodded.

"She's dangerous."

Min pointed at everyone.

"Everybody is our favorite."

The six members looked at each other.

The competition ended immediately.

Hoseok laughed.

“Congratulations. You all lost.”

Daddy's Day

Hoseok decided to have a special father-and-children day.

He took Hana and Min to the park.

No cameras.

No schedules.

Just family.

Hana held his hand.

“Daddy?”

“Yes?”

“Are you famous?”

Hoseok smiled.

“A little.”

“Why?”

“Because I sing and dance.”

Min looked confused.

“But you’re just Daddy.”

Hoseok stopped walking.

Y/N, who had joined them later, watched his face soften.

Hoseok crouched down.

“That might be my favorite thing anyone has ever said.”

Min hugged him.

“You’re our Daddy.”

Hoseok hugged both children.

“I’ll always be.”

The First Family Vacation

The entire family decided to take a vacation.

This meant:

Hoseok.

Y/N.

Hana.

Min.

Six BTS members.

Hoseok’s parents.

His siblings.

And several relatives.

It was not a vacation.

It was a military operation.

At the airport, Jin counted everyone.

“One, two, three…”

He stopped.

“Where’s Jungkook?”

Everyone panicked.

Then Jungkook appeared holding three bags of snacks.

“I was buying food.”

Jin grabbed his shoulder.

“NEVER LEAVE THE GROUP.”

Jungkook nodded.

“Yes, Dad.”

Jin looked offended.

“I’m not old enough to be your dad.”

Yoongi muttered:

“You behave like one.”

The Beach Chaos

At the beach, Hana and Min built a sandcastle.

Jungkook helped.

Taehyung decorated it.

Jimin found seashells.

Namjoon read nearby.

Yoongi napped.

Jin tried to become a lifeguard despite having no qualification.

Hoseok sat beside Y/N.

“This is nice.”

Y/N smiled.

“Very.”

Then a wave hit Jin.

He fell backward.

Everyone screamed.

Jin stood up.

“I’M FINE!”

Hana laughed.

“Uncle Jin fell!”

Jin pointed dramatically.

“THE OCEAN ATTACKED ME.”

Y/N Meets ARMY

During the vacation, a small group of fans recognized the family.

Y/N became nervous.

Hoseok immediately took her hand.

One fan approached.

“I’m sorry to bother you.”

Hoseok smiled politely.

The fan looked at Y/N.

Then at the children.

“We just wanted to say… we’re happy you’re happy.”

Y/N’s eyes became watery.

“Thank you.”

Another fan smiled.

“Please take care of our sunshine.”

Y/N laughed.

“I will.”

Hoseok squeezed her hand.

“And I’ll take care of her.”

The fan smiled.

“We know.”

The Matching Pajama Disaster

Jimin convinced everyone to buy matching family pajamas.

Hoseok refused.

Then he saw the children wearing theirs.

He surrendered.

Soon everyone was wearing matching pajamas.

Even Yoongi.

Hoseok took a picture.

Yoongi immediately said:

“If this gets posted, I’m leaving.”

Five minutes later—

Jin posted it.

Caption:

“Family sleepover! ”

Yoongi stared at his phone.

“I hate all of you.”

A Quiet Night

That night, after everyone went to sleep, Hoseok and Y/N sat together outside.

Y/N leaned against him.

“Do you ever think about how different everything is now?”

“Every day.”

“Are you happy?”

Hoseok kissed her forehead.

“More than I knew was possible.”

She smiled.

“I love our life.”

“So do I.”

He intertwined their fingers.

“I want to give you everything.”

“You already gave me your heart.”

He smiled.

“Then I’ll keep giving you that.”

One Big Family

The vacation ended with a family photo.

Everyone gathered together.

Hana sat between Jimin and Jin.

Min sat beside Jungkook.

Yoongi stood behind Hoseok.

Taehyung and Namjoon stood beside Y/N.

Hoseok wrapped one arm around Y/N.

The photographer shouted:

“Smile!”

Everyone smiled.

Except Yoongi.

“Yoongi!”

He sighed.

Then smiled.

The picture was posted online.

ARMY immediately fell in love with it.

One comment read:

“This isn’t BTS anymore. This is Jung family + six honorary uncles.”

Hoseok laughed when he saw it.

Y/N rested her head against him.

Their family wasn’t conventional.

It wasn’t quiet.

And it definitely wasn’t normal.

But it was theirs.

And Hoseok wouldn’t trade it for anything.
